To All Residents:

Chattel mortgages (mortgages on personal property) must be recorded with the Town Clerks of the town in which you reside. If the mortgage is recorded in a neighboring town, through accident or incorrect address, it is still legal and binding. When the mortgage is paid, it should be discharged from the records and it is to your advantage to do so. The recording of mortgages is often done for you by the bank or loan company; but seldom are they discharged. Following are excerpts from the laws of N. H.

392-A: 9-401 Place of Filing:

(a) when the collateral is equipment used in farming operations, or farm products, or accounts, contract rights, or

~~382-A: 9-404 Termination Statement~~

if the debtor is not a resident of this state, then in the office of the clerk of the town in which the goods are kept;

(b) when the collateral is goods which at the time the security interest attaches are or are to become fixtures, then in the office where a mortgage on the real estate concerned would be filed or recorded;

(2) A filing which is made in good faith in an improper place or not in all of the places required by this section is nevertheless effective with regard to any collateral as to which the filing complied with the requirements of this Article and is also effective with regard to collateral covered by the financing statement against any person who has knowledge of the contents of such financing statement.

382-A: 9-403

(5) The fee for filing, indexing and furnishing filing data for an original or a continuation statement, or any amendment thereof shall be two dollars.

82 A 9-404 *Termination Statement*

(2) On presentation to the filing officer of such a termination statement he must note it in the index. The filing officer shall remove from the files, mark "Terminated", and send or deliver to the secured party the financing statement and any continuation statement, statement of assignment or statement of release pertaining thereto.

(3) The fee for filing and indexing a termination statement including sending or delivering the financing statement shall be one dollar.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

New Hampshire is the fastest growing state in the northeast in terms of population increase. It is also an industrialized state and this growth is likely to continue, all of which means more families and homes. Our growing summer population is scattered throughout the state with a phenomenal increase in vacation homes.

Many new homes and practically all cottages are being located in woodlands and abandoned fields, and forests crowd into the back yards of our village streets. In a state where the forests cover 86% of the land surface, it is necessary that everyone be aware all through the season, which comes with the disappearance of the snow until the snow comes again, of the need to be careful with outdoor fires and fire sources.

The following action will help:

1. To teach our children the danger of lighted matches.
2. To **never** discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn —
 - a) You need a written permit from the town fire warden for **all** debris burning except when the ground is covered with snow. Cooking fires in outdoor fireplaces or in charcoal braziers in your own backyard is permitted on notification of the warden.
 - b) The warden is forbidden by regulation to allow burning of household rubbish on grass by householders between 9:00 A. M. and 5:00 P.M.
 - c) Have equipment on hand to control the fire **before** you light the match.

4. Promptly report any fire out of control to your fire warden or fire department.

Help to keep our town out of the fire occurrence column and save our tax dollars for useful purposes.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Croydon:

Upon the retirement of Mrs. Edith Fowle, we were able to secure the services of Mrs. Ettabelle Lewis as teacher. Mrs. Lewis has had extensive experience as a substitute in the Newport Area. She has made a good adjustment to a three-grade situation and is carrying on successfully.

A R E A School District

Under the Newport - Croydon A R E A School Plan, Croydon continues to pay the tuition fee in Grades 7-12 without a rental charge. This difference from the amount paid by other sending districts is as follows:

	Grades 7 & 8	Grades 9-12	Grades 7 & 8	Grades 9-12
Regular Tuition	\$420.00	\$570.00	\$505.00	\$635.00
Rental Charge	45.00	45.00	45.00	45.00
	<u>\$465.00</u>	<u>\$615.00</u>	<u>\$550.00</u>	<u>\$680.00</u>
Tuition Rate for Croydon	\$420.00	\$570.00	\$505.00	\$635.00
STATE AVERAGE TUITION	\$549.00	\$637.00	\$562.00	\$695.00

TRANSPORTATION-DEFICIENCY

An Article in the Warrant calls for a deficiency appropriation of \$1,300.00 to cover additional transportation costs this school year. A survey of transportation costs for several years may serve to point up the reasons for these additional funds:

RENTAL	1965-66	66-67	67-68	68-69	68-69
@ \$12.50	\$2,250.00	\$2,262.50	\$2,125.00*	\$2,250.00	\$2,250.00

DRIVER	\$ 905.00	\$ 930.00	\$1,445.00	\$1,440.00	\$2,100.00

GASO-					
LINE	\$ 282.75†	\$ 483.26°	(no gas payments)	\$ 350.00	\$ 900.00
					(2 years)
MISCELLANEOUS			\$ 16.00		
FEEDER ROUTE					\$ 270.00
	\$4,017.15	\$4,378.01	\$4,310.74	(\$4,700.00)	(\$6,245.00)

*Payment for June 1968 was not made until September 1968.

* Payment for June was not made until September 1968

† Less than a full year

° More than one year's payment

It is hoped that the necessary steps will be taken soon by the Selectmen so that the School District will not be charged the seven cents per gallon state tax on gasoline. This tax can be recovered by municipalities. It amounts to a sizeable number of dollars over a period of time.

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools
